General Boat Description

LLC Owned

Custom Painted Hull, Generator, Air Conditioning, Electric Winches, Furling Sails, Code 0, Offshore Electronics, Custom Canvas, Dinghy & Electric Outboard, Bottom Painted June 25, Dinghy Garage

This yacht is turn key and a great opportunity! Call Ian Van Tuyl the listing broker today while she is still available.

Sky(15) was commissioned and delivered in June of 2022. She comes with an impressive factory package that includes almost every upgrade one can imagine. Her hull was painted a custom 'Endeavor Blue' to match her classic real teak decks - below her 3 stateroom 2 head interior shows beautifully in blond Alpi wood and leather upholstery - a stunning package! With her furling main, genoa and Code 0 led to a cockpit with all electric winches, she is easily handled from behind the wheel, leaving plenty of room around the twin tables or lounging on the sun beds. New custom Bimini and bottom paint June 2025.

Owners change of plans has created the opportunity to purchase a premier Yacht that is better than brand new.

The two architects behind this free-flowing, wonderfully nimble **54-footer** are Roberto Biscontini and Lorzenzo Argento, whose creation paves the way for a **new generation of high-end cruisers** that

optimize cockpit and interior layouts without any sacrifices to performance, practicality, or comfort. The yacht carries the unmistakable DNA of the Oceanis range, a delicate balance of form and function that make her as pretty as she is capable, and as focussed as she is versatile, equally ready for a fast ocean passage or a leisurely double-handed sunset cruise. With an emphasis on build quality, high-end materials, and the innovative vision that has always been a staple of the BENETEAU brand, the Oceanis Yacht 54 truly represents the pinnacle of the modern monohull cruising design.
