Introducing the exquisite Viking Princess 54 Flybridge, a stunning 2007 model that embodies luxury and performance. With an overall length of 54.4 feet, this flybridge yacht offers ample space for relaxation and entertainment, accommodating up to 12 guests comfortably. Crafted from durable fiberglass, the displacement hull ensures a smooth and stable ride, making it perfect for both leisurely cruising and spirited adventures. Powered by twin Volvo Penta D12-800 inboard engines, each delivering an impressive 775 horsepower, this vessel promises exhilarating performance on the water. The yacht features three well-appointed cabins and two heads, providing comfort and privacy for all aboard. An electric windlass enhances convenience during anchoring, while the sophisticated design of the flybridge offers breathtaking views and an ideal spot for socializing. Experience the joy of sailing with the LA BUENA VIDA, where every journey becomes a memorable escape.
